By booking and/or paying for a session, you agree to the following:

Sessions are confirmed once payment is received.

Payment is due in advance and after receipt session details will be shared. In the event that 1-1 services are discontinued payments are transferable to other Audire Collective services and non-refundable.

Sessions

Sessions last 50 minutes unless agreed otherwise and run to the scheduled time.

Cancellations

Please give at least 48 hours' notice to cancel or reschedule. Late cancellations or non-attendance may be charged in full. No shows are rescheduled at the consultants discretion.

Late Arrival

Late arrival shortens the session.

Arrivals over 15 minutes late without contact may be treated as a cancellation.

Service Boundaries
